

LET'S WRITE A SUPER POEM ABOUT SCIENCE!

13 FEB 2021
2.30-3.00PM

How much do you know about the natural world? Can you write some super poems about Nature: from the magical properties of water, the gorgeous patterns of stars in the sky, to the curious habits of wild creatures in the jungle or the tiny wings of a hummingbird? Here's your challenge: check out Jennifer's workshop for young science explorers and write a poem about the powers of Nature that fascinate you!

Don't miss the chance to win a book of poetry on science and a special certificate!
